To Whom It May Concern:

The Oak Meadow Homeowners Association Board is completely against the construction of a Walmart Super Store at the corner of Blanco and Wurzbach Parkway. We discussed this issue at our monthly board meeting on January 26, 2012. Several board members have already signed the petition in favor of the Phil Hardberger Park Conservancy Resolution. Our Oak Meadow Homeowners Association Board also supports this resolution, and we will work in everyway possible to protect the natural environment of the Phil Hardberger Park.

Sincerely,
Veronica Gonzalez
Oak Meadow Homeowners Association, President
